Celebration of life diamonds

A certified, high quality diamond memorial, created from the carbon within the cremated remains or hair of your loved one.

Each diamond is unique and no two will ever be exactly the same. These gems can be a beautiful way to celebrate a life, often becoming family heirlooms, passed down from generation to generation.

All colours are non-fading and retain a head-turning, lustre and brilliance found in natural diamonds.

Diamond jewellery **from £700**

Holds approximately a cup full of cremated remains.

Cremated remains within glass

Keep your loved one close to you always with Ashes into Glass. Your loved one's cremated remains are added to crystal glass to create unique memorial jewellery and paperweights.

Items hold approximately 1 tablespoon of cremated remains.

Paperweight
