Garden Collection

This unique collection of memorial orbs and urns for cremated remains are ideally suited for private locations and garden areas.

Stone Memorial Orbs From £600

Using natural Cumbrian limestone, the stone memorial orbs are designed to weather and age to create the established look of natural stones.

The stone memorial orbs can hold from one to four sets of cremated remains. The cremated remains are placed into a special steel casket which is then placed within the orb. The smallest stone orb is used for memorial inscription only. Each orb comes with a granite memorial plaque to which a gold leaf inscription can be added for your personal tributes.

Ornamental Stone Memorial Orbs From £205

Nature themed memorials in a choice of elegant designs can be inscribed and used as an individual remembrance memorial, or for complementing an existing stone or woodland orb.

Garden Collection

Woodland Memorial Orbs

From £895

Crafted from sustainable woodland timber and sourced from natural windfall in woodland locations nationwide, each orb is unique, providing an original memorial.

As the orb becomes established within the garden it will become home to mosses and insects, contributing to the wildlife and health of the environment.

The woodland memorial orbs can hold from one to four sets of cremated remains. The cremated remains are placed into a special steel casket which is then placed within the orb. Each orb comes with a granite memorial plaque to which a gold leaf inscription can be added for your personal tributes.

Highdown Urns

£180

A stylish granite-effect urn which is equally at home indoors or outdoors.

This innovative urn is weather-resistant, so can be positioned on a patio or garden or may be buried. With its unique adjustable plaque holder, an urn that has been buried can be retrieved easily and moved to a new location at any time.
